AttunedHealthcare

About Our Company

Attuned Healthcare provide bespoke services which include outreach, aftercare, alternative aftercare, therapeutic residential, respite, residential disability services and shortly we will also offer community-based residential services. We assess the needs of the young person or adult in collaboration with the professionals involved in care and wellbeing.

A homely and spacious residence offering individualized, person-centred care in Carlow

Private and Comfortable

Just 2 kms from Carlow town centre, Ashfield Lodge provides a convenient and serene living environment.

Large garden in the back for exercise, relaxation, & recreational activities

House to Home

Supportive Environment

Bespoke services designed to help residents reach their full potential

Individualized Care

Focus on individual expertise and choice in their own life

Autonomy and Choice

Encourages a supportive and nurturing environment

We provide a supportive, social care-led approach recognising residents as experts in their own lives.

01 Empowering residents to make their own decisions and live the life they want to lead

02 Residents are encouraged to personalize their bedrooms, making Ashfield Lodge truly feel like home.
